General Counsel  
Teacher Retirement System of Texas

OR2005-04361

Dear Ms. Brennan:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 224398.

The Teacher Retirement System of Texas (the "system") received a request for the "PMPM or PEPM admin fee that BCBSTX charges to administer the ActiveCare Plan for the current contract and for the contract beginning 9/1/05." Although you assert that the requested information may be excepted from disclosure under section 552.110 of the Government Code, you take no position and make no arguments regarding this exception. Instead, pursuant to section 552.305, you have notified the interested third party, Blue Cross/Blue Shield of Texas ("BCBSTX"), of the request and of its opportunity to submit comments to this office. *See* Gov't Code § 552.305 (permitting interested third party to submit to attorney general reasons why requested information should not be released); Open Records Decision No. 542 (1990) (determining that statutory predecessor to section 552.305 permits governmental body to rely on interested third party to raise and explain applicability of exception to disclosure in certain circumstances). We have reviewed the submitted information.

We note that an interested third party is allowed ten business days after the date of its receipt of the governmental body's notice under section 552.305(d) to submit its reasons, if any, as to why information relating to that party should be withheld from public disclosure. *See* Gov't Code § 552.305(d)(2)(B). However, as of the date of this letter, we have not received

arguments from BCBSTX for withholding the requested information. Therefore, we have no basis to conclude that the release of any of the submitted information would harm the proprietary interests of this interested third party. *See, e.g.*, Gov't Code § 552.110(b) (to prevent disclosure of commercial or financial information, party must show by specific factual or evidentiary material, not conclusory or generalized allegations, that it actually faces competition and that substantial competitive injury would likely result from disclosure); Open Records Decision Nos. 552 at 5 (1990) (party must establish *prima facie* case that information is trade secret), 542 at 3 (1990). Accordingly, we conclude that the system may not withhold any portion of the submitted information on the basis of any proprietary interest that BCBSTX may have in the information. Thus, the system must release the submitted information to the requestor.

This letter ruling is limited to the particular records at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other records or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For example, governmental bodies are prohibited from asking the attorney general to reconsider this ruling. Gov't Code § 552.301(f). If the governmental body wants to challenge this ruling, the governmental body must appeal by filing suit in Travis County within 30 calendar days. *Id.* § 552.324(b). In order to get the full benefit of such an appeal, the governmental body must file suit within 10 calendar days. *Id.* § 552.353(b)(3), (c). If the governmental body does not appeal this ruling and the governmental body does not comply with it, then both the requestor and the attorney general have the right to file suit against the governmental body to enforce this ruling. *Id.* § 552.321(a).

If this ruling requires the governmental body to release all or part of the requested information, the governmental body is responsible for taking the next step. Based on the statute, the attorney general expects that, upon receiving this ruling, the governmental body will either release the public records promptly pursuant to section 552.221(a) of the Government Code or file a lawsuit challenging this ruling pursuant to section 552.324 of the Government Code. If the governmental body fails to do one of these things, then the requestor should report that failure to the attorney general's Open Government Hotline, toll free, at (877) 673-6839. The requestor may also file a complaint with the district or county attorney. *Id.* § 552.3215(e).

If this ruling requires or permits the governmental body to withhold all or some of the requested information, the requestor can appeal that decision by suing the governmental body. *Id.* § 552.321(a); *Tex. Dep't of Pub. Safety v. Gilbreath*, 842 S.W.2d 408, 411 (Tex. App.—Austin 1992, no writ).

Please remember that under the Act the release of information triggers certain procedures for costs and charges to the requestor. If records are released in compliance with this ruling, be sure that all charges for the information are at or below the legal amounts. Questions or complaints about over-charging must be directed to Hadassah Schloss at the Texas Building and Procurement Commission at (512) 475-2497.

If the governmental body, the requestor, or any other person has questions or comments about this ruling, they may contact our office. We note that a third party may challenge this ruling by filing suit seeking to withhold information from a requestor. Gov't Code § 552.325. Although there is no statutory deadline for contacting us, the attorney general prefers to receive any comments within 10 calendar days of the date of this ruling.

Sincerely,

Debbie K. Lee
